

Mirriam Musonda – Chance4all Secondary Mathematics and Natural Science Teacher

My name is Mirriam Musonda, I was born in the family of seven and I am the second born. I started school in 2004 at Machilila community school and attained my grade seven certificate, I further went to Chitukuko primary school and got my grade nine certificate. From there I did my secondary school at Kabulonga girls where I got my grade twelve certificate. I further did my Tertiary level at Mukuba University where I got my Bachelor of Education with Mathematics and chemistry. Currently I am working with Chance4all as a Mathematics teacher.
