

Donna Forte-Regis Muleba

Donna Forte-Regis Muleba works for Standard Chartered Bank. At the Bank, she represents and handles the business development for the Standard Chartered Bank Jersey, Channel Islands office where she covers the Southern & East African region for clients looking for Wealth Management solutions. She has been in the banking industry for over 15 years working both in Zambia and Canada. Whilst she has been at Standard Chartered, she has been an advocate for the *Seeing is Believing* program, a global initiative with the purpose of assisting in the eradication of avoidable blindness in Zambia. She has been heavily involved in managing and coordinating this program with the support of a council and various stakeholders for 6 years. She is well travelled having worked for a Belgium based International Media Company where she was a Media Sales Executive and was assigned to work in South East Asia and Africa. She has also worked in the health sector in Zambia for PointCare Technologies, who provided diagnostic equipment throughout the country. This work gave her a perceptive on some of the health challenges that Zambia faces as she got to visit a number of Mission and Government run hospitals in country. Throughout her working career, she has made it part of her DNA to visit orphanages in whichever country she has visited. She believes in making a pathway for children to have a better future through good health and education. Donna graduated from Concordia University, Montreal, Canada with a Bachelor of Commerce Degree.
